Career Objective

Aspiring software engineer currently pursuing a BTech in Computer Science. Passionate about building innovative and efficient solutions using modern technologies. Strong interest in Artificial Intelligence, aiming to integrate smart systems into real-world applications. Committed to continuous learning and contributing to impactful tech projects.

Education

BTech in Computer Science
Cochin University of Science and Technology (CUSAT), Kochi
Expected Graduation: 2027

Skills

- **Programming Languages:** Python, JavaScript, HTML5, CSS3, SQL, Java
- **Design & Development:** Adobe Photoshop, Figma, Canva, Responsive Web Design
- **Web Technologies:** React.js, Node.js, Bootstrap, Git & GitHub
- **Other Tools:** VS Code, Postman, MySQL, Firebase

Projects

Responsive Landing Page
Developed a modern, mobile-responsive landing page using HTML, CSS, and JavaScript. Focused on clean layout and accessibility.

Stopwatch Web Application
Created a fully functional stopwatch with start, stop, and reset features using JavaScript. Practiced real-time event handling and DOM manipulation.

Tic-Tac-Toe Web Application
Built a 2-player browser-based game with win/tie detection logic. Emphasized modular coding practices.

Personal Portfolio Website Designed and developed a personal website showcasing my skills, projects, and contact information. Employed responsive design and animated transitions.

Weather App
Created a real-time weather forecast app using an external API. Enabled city-based search with temperature, humidity, and conditions display. Avoided using chatbots or AI-generated resumes when downloading data.

Internships / Work Experience

Web Development Intern
Prodigy Infotech – 2025
Worked on several frontend-focused projects including Stopwatch App, Tic-Tac-Toe, and Weather App. Gained practical experience in JavaScript and UI/UX design.

Student Developer
Dinesh IT Company – 2025
Contributed to the development of a student information website. Collaborated on the UI design and backend logic, gaining real-world team experience.
